

What to Bring

1. **Cooperative attitude & trust** - Hosanna has been leading volunteers for over 20 years and has become very skilled at doing so. Please trust this.
2. **Photo Identification** (specifically if you are staying in our dorm)
3. **Work boots** - Yes, you do need to wear work boots.
4. **Work pants** - Denim, Khaki or duck cloth are recommended materials for work pants. **No shorts. No sweatpants**, and please for everyone's sake **No stretch pants**.
5. **Tools** - Hosanna will provide all tools needed. However, if you are more comfortable with your own hand tools please feel free to bring them along. Be sure to mark them as your own. Hosanna Industries cannot accept responsibility for your belongings.
6. **Vehicles** - Your group is responsible for its own transportation to and from the worksites. Parking is sparse in some of the locations we work in. Bring enough vehicles to get everyone here safely but please bring as few as possible.
